REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: the teachings defined in claim 1 which includes a device for operating a cruise control system including means for separating a travel of an accelerator pedal into first and second travel part where depression of the pedal in the first travel part is less than in the second travel part to automatically control the vehicle by the cruise control system, is not taught by the prior art. One having ordinary skill in the art would find it counterintuitive to assign an accelerator pedal, used for vehicle propulsion, to engage the cruise control system to automatically control the vehicle by the cruise control system.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Bridget Avery whose telephone number is 571-272-6691. The examiner can normally be reached on 7:00AM-5:30PM Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christopher Ellis can be reached on 571-272-6914. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
